**Re: *In re Cyclobenzaprine HCl ER Capsule Patent Litigation,*
C.A. 09-md-2118-SLR;
Eurand, Inc., et al. v. Mylan Pharmaceuticals, Inc., et al.,
C.A. No. 08-889-SLR-MPT**

Dear Judge Robinson:

Although we are reluctant to burden the Court with additional correspondence on this matter, we wish to provide Your Honor with an important update that we believe further supports the need for an expedited hearing on Mylan's emergency request for reconsideration. This afternoon Plaintiff issued a press release indicating that a TRO has already been issued by the Court. We believe that this is a misstatement given that the Court has not entered an order and has requested that the parties submit a proposed order on Monday. Particularly given the significant issues raised in Mylan's emergency motion, we again respectfully request an opportunity to be heard on this matter at Your Honor's earliest convenience.

Respectfully,

/s/ *Richard L. Horwitz*
